

# Blue-White<sup>®</sup> Industries **ProSeries-M<sup>®</sup>** for **Municipal Water & Wastewater Treatment**

**At Blue-White<sup>®</sup>** we recognize the critical demands of Municipal Water and Wastewater Treatment. After all, we've been a leading manufacturer of Chemical Metering / Dosing Pumps for more than six decades.

In response to the very specific needs associated with the proper treatment of Municipal Water and Wastewater our engineers developed the ProSeries-M<sup>®</sup> line of Peristaltic Metering Pumps.

Each pumping unit is hand assembled by trained technicians and subjected to 24 hours of rigorous testing prior to shipment, ensuring delivery of a unit that's ready to go to work for you.
